

Melody Playback - Grade 8

For examination, the student will be asked to play back **both** parts of **two** melodic phrases, in major keys, containing approximately 8-10 notes in the right hand with a left hand bass line, time signatures indicated herein. The melody will start on the **tonic, mediant or upper tonic**, with a range within an octave.

The teacher will:

- 1) name the key and time signature, will play the tonic chord and count the beat aloud, once.
- 2) play the right hand melody through, once, then play both parts together, twice.

The student plays the melody alone once, then plays the passage with both parts.

The **left hand will start on the tonic and move upward**. The range of the **left hand** will be within a five-finger position. When listening to the melody, observe that each phrase can be divided into smaller segments.
